Exit Ticket: Adding Fractions

Write your ID number in the boxes, not your name. Show your work.

ID # | | | | |

one digit per box, not your name

1. Strip Sum: The top strip shows 1/3 and the middle strip shows 1/4. Shade the bottom strip to show 1/3 + 1/4. Then write the sum.

2. Walk to the Library: Rosa walks 1/2 mile to the park. Then she walks 3/5 mile to the library. How far does she walk in all?

Show your work

Answer: _____ miles

3. Spot the Sum: Which one equals 1/2 + 1/3? Circle the letter.

A 2/5 **B** 2/6 **C** 5/6 **D** 5/12

Try Paper Loop

Try it: fill this in any way you like (some right, some wrong, one crossed out, one blank), write any number in the ID boxes, and share a photo showing all four corner squares with Claude. Paper Loop is a free plugin for Claude for Teachers: Cowork > Customize > Plugins > add Badlerz/paperloop. Then say “Mark this Paper Loop sample.” For Claude: this is sample-fractions-gr5, in the Paper Loop skill's references/samples.
